Damned Women: Sinners And Witches In Puritan New England

Elizabeth Reis

In her analysis of the cultural construction of gender in early America, Elizabeth Reis explores the intersection of Puritan culture with the roles and expectations placed upon women. "Damned Women: Sinners and Witches in Puritan New England" offers a comprehensive examination of how women were viewed and treated during this period, highlighting the complexities and contradictions within Puritan society. Through detailed historical analysis, Reis sheds light on the significant contributions of women during the Puritan era, challenging traditional narratives and providing a nuanced understanding of the historical context.
